

BUSINESS INFORMATION

COFACE IS THE ONLY CREDIT INSURER TO CURRENTLY OFFER ITS INTELLIGENCE AS A STANDALONE SOLUTION TO NON-INSURED CLIENTS

LEARN MORE ABOUT YOUR BUSINESS PARTNERS

Want to know more about potential business partners, customers and suppliers? Coface Business Information offers a wide range of risk intelligence to help inform and assist your decision-making.

BENEFIT FROM OUR UNIQUE INTELLIGENCE AS A GLOBAL CREDIT INSURER

We leverage our business information from our credit-insurance activity, constantly monitoring 130 million companies worldwide.

We take third-party information and enhance it with our own proprietary, before it is analysed by one of our 700+ risk experts and packaged into products to help you inform, assess risk and make decisions.

INFORMING:

TAKE A SNAPSHOT OF KEY FINANCIALS:

Our informative snapshot report offers you with important credit information, giving you an insight into the company's overall creditworthiness and payment morality to assist you in making informed business decisions.

OR BENEFIT FROM A FULL COMPREHENSIVE REPORT:

Our full report contains unique, comprehensive, and detailed information that allows for a thorough examination of credit risk in order to evaluate possible business partners and categorise clients.

RISK ANALYSIS:

DEBTOR RISK ASSESSMENT (DRA):

The DRA is our calculation of a company's probability of payment default over a twelve-month period. This score allows you to easily assess risk with a scale running from 0 to 10, with the higher the score, the lower the risks.

Business Default	High Risk			Medium Risk				Low Risk		
0	1	2	3	4	5	6	7	8	9	10

A DRA IS BUILT UPON MANY FACTORS, INCLUDING BUT NOT LIMITED TO:

- Registered financial data
- Cross-border payment performance
- Our in-country risk analysts and economists
- Country/sector/business climate intelligence

THE DRA IS UNIQUE TO COFACE, AND BENEFITS FROM:

- Coface analysts enrich information through physical visits and interviews constantly refining and validating information on millions of companies worldwide
- Instant results, unless extra investigations are required
- Accessible on-demand, online or through our app

DECISION MAKING:

Coface credit opinions provide a recommended credit amount leveraged by our credit insurance experts. It supports your assessment of the creditworthiness of prospects, customers, and suppliers.

Our global monitoring service provides you with notifications upon a change observed in any risk assessment.

BENEFIT FROM:

- A cost-effective solution facilitating global risk comparisons on one scale
- Opinions are available on 130 million companies worldwide
- The largest global footprint of any intelligence provider
